

Hello!

You have just arrived in Wuppertal, or maybe some time ago?
You are refugees?

Welcome to Wuppertal - w2wtal - wants to get in touch with you.

We are several people from Wuppertal who want to leave behind the separation of refugees. We think that only united we can leave behind exclusion and racism, which is why we want to organize ourselves outside of official institutions, because we know that the German asylum system produces such separation intentionally.

We want to show concrete solidarity with newcomers to Wuppertal, mainly with refugees and undocumented people, who do not yet know their way in Wuppertal or only have few contacts for now.

We want to share our knowledge about the city: How can I travel from Barmen to Elberfeld without spending much money? Where can I find friendly people, economic food or where can I have a tea without being treated in a racist way? Is there any cultural or sport event for free? Where could I maybe find a job? Can I get a German course somewhere without having a residence permit?

We are not experts nor are we an official help desk. What we can offer is to create the conditions for self-organization together with you, for instance, by self-organized German language classes which will be oriented towards what you need in daily life, or by opening our networks and circles of friends.

Each 3rd Sunday a month we will have a breakfast or brunch, starting by 11 a.m. in Cafe ADA, so we can get in touch there. You are invited! You will find the invitation some days before also in Facebook. We speak English, French, Spanish, Turkish, Rumanian - and for some other languages we can organize a translation, ask us via Facebook or Email.

Cafe ADA is located in Wuppertal-Elberfeld, (Wiesenstraße 6 / Gathe; you can take the Bus 647, 645, 635, 628, 620, get off at Busstop "Schleswiger Straße")
